### FEATURED TECHNOLOGY – WHITE PAPER+

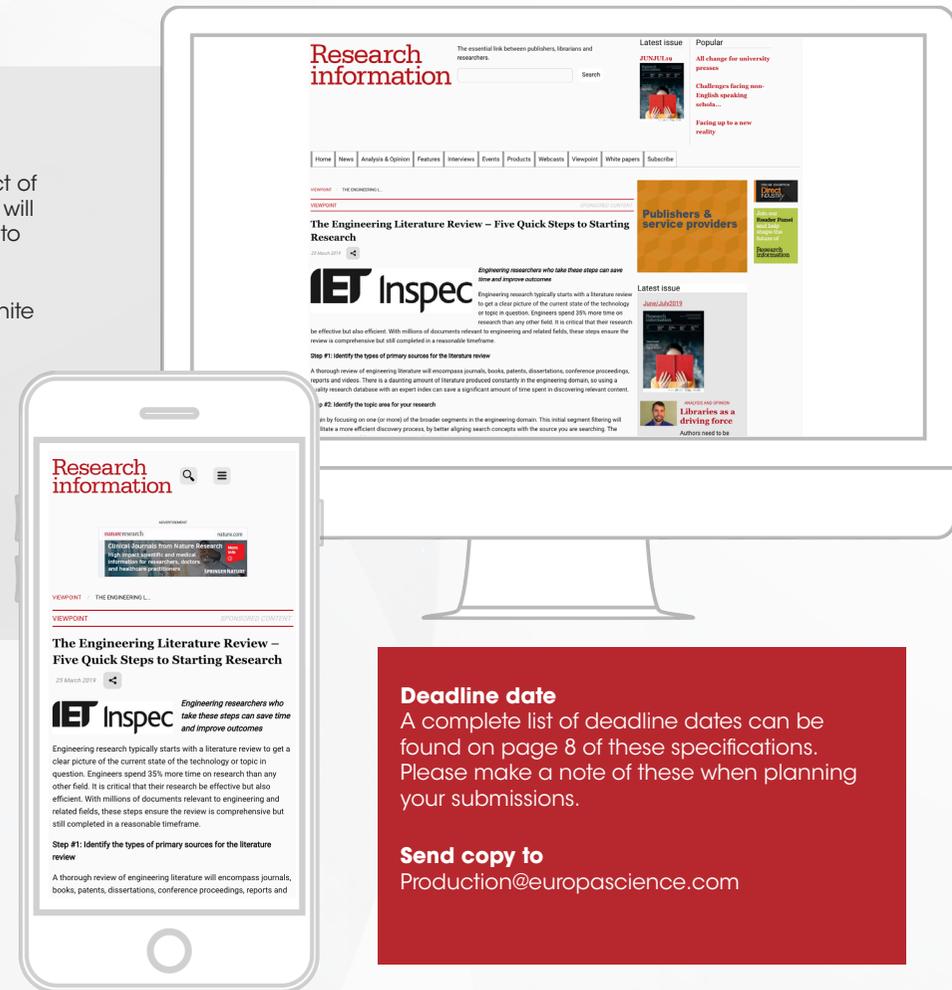

This option gives you all the benefit of a white paper promotion, but we will write an article based on the impact of the technology highlighted in the White Paper. The key here is communication. The *Research Information* team will be writing the feature, so we need as much information from you as possible, as early as possible. Sell the story to us – we want to highlight genuine impact, so let us know!

White papers have become a hugely important part of the marketer's armoury. A well-written and interesting white paper transforms you very quickly from merely 'involved' in a technology, to 'expert'.
